Fort Governor's Safaris Backcountry Hunting Safari

Walk the wild. Sleep under the stars. Hunt like never before

We've created a unique hunting package unlike anything else in South Africa, perfect for those who seek the raw, authentic experience of the backcountry. This 7-day adventure to harvest the majestic Greater Kudu begins with your first night spent in comfort at our fully catered Stoneyvale Cottages, giving you time to settle in and prepare for the days ahead. From day two, you'll set out on foot with your Professional Hunter for a 4-night backcountry expedition. No fixed route, just you, the bush, and the stars above. Each evening you will arrive at your wilderness camp, complete with food, drinks, and any essentials you might need. After four nights under the African sky, you'll return to Stoneyvale for one last night of comfort, a celebratory dinner, and time to reflect on your unforgettable journey. The following day, we'll transfer you back to the airport, with memories to last a lifetime.

Day 1

Arrival Day

Your first day starts with the arrival at our Stoneyvale Cottages, where you will have time to settle in. You will be treated to warm welcome around the boma fire, followed by a 3-course fine dining dinner. The perfect way to prepare for the the adventure ahead.

Day 2 - 5

Sleeping under the Stars

Your day will start with a hearty breakfast, after which you will pack up your kit and head out from the lodge, hiking into 30 000 acres of African wilderness. For four days, you will track game on foot with your PH and sleep under the stars in our remote wilderness camps. Our support team will bring fresh supplies daily, so you stay focused on the hunt.

Day 6

Return to Lodge

After 4 nights in the wilderness you will return to the comfort of Stoneyvale. Enjoy a warm shower, delicious dinner, and a final night surrounded by luxury and stories from the bush.
